Date.....August 29, 2011

► Minutes: Beth Perkins

► The Board met to award the bid for West Fork sign replacement at 9:00 a.m. Present was Road & Bridge Department Supervisor David Ohnstad.

David Ohnstad made a recommendation to the Board to award to Mountain West Holding Company in the amount of \$92,087.60.

**Commissioner Kanenwisher made a motion to award the bid for West Fork sign replacement to Mountain West Holding Company in the amount of \$92,087.60 and authorize contract with Chair signature. Commissioner Stoltz seconded the motion and all voted "aye". (4-0)**

► The Board met for a continuance of the site visit for Eight Mile and Woodchuck Road from Friday August 26<sup>th</sup> at 1:00 p.m. Present were Road & Bridge Supervisor David Ohnstad and CFO Klarryse Murphy. Commissioner Chilcott joined via speakerphone and Commissioner Iman was not present due to another scheduled matter.

David presented the Board with an estimate to fix a portion of the road detailed within a settlement agreement. Due to poor design, the road will now need four culverts, patching and a ditch lining. The estimate is \$46,780. The question was where the funding would come from. Commissioner Stoltz expressed his concern with the lack of an original drainage plan for the road. Commissioner Kanenwisher noted for record the plaintiffs in this settlement made significant concessions and the road should've been done correctly. Commissioner Foss requested the past be forgotten and with moving forward all roads for the County must be built to reflect county standards and not lowest cost. David will issue a more detailed estimate to the Board. After discussion, it was determined the funds would come out of regular operating costs with a final cost to be transferred from SRS funds. **Commissioner Kanenwisher made a**

**motion to repair the road as discussed with four culverts, patching and ditch liner (\$46,780) out of the Road Department operating funds for a final cost to be transferred from SRS fund. Commissioner Foss seconded the motion and all voted "aye". (4-0)**

David,

Attached is the certified bid tab for the West Fork Sign Replacement project. The low bidder is Mountain West Holdings Company. Also attached is a list of projects completed by Mountain West Holding that they provided at our request. Most of these projects are MDT projects. Based on the information we have review, we recommend award of the West Fork Sign Replacement project to Mountain West Holding Company in the amount of their bid of \$92,087.60. Please let me know if you have any questions.
